

## EMPLOYMENT OPPORTUNITY

### Position: Executive Director

Ontario Ground Water Association (OGWA) is a not-for-profit organization whose mission is to provide guidance to members, government, and the public for the sound scientific, economic, beneficial development, protection and management of ground water resources.

OGWA is comprised of a diverse group of ground water professionals. The Board is made up of volunteers passionate about protecting Ontario's most precious resource, ground water.

The Board of Directors is seeking an Executive Director to partner with them in fulfilling the mission and goals of OGWA. The Executive Director will be responsible for the areas of community leadership, financial management, legal compliance, program management, government liaison, and human resources. **This is a part-time position.**

In addition to general expected skills and experience the ideal candidate will possess:

- Senior management experience, preferably in the ground water industry
- A successful history of marketing and managing a business unit, preferably ground water related
- Excellent communication skills
- A strong knowledge of Government policies and demonstrated experience in government relations
- Possess entrepreneurial and administrative skills

If you are interested in learning more about this unique opportunity please send your CV together with a brief introduction as to how your experience will share in the goals of the OGWA no later than **December 31, 2011** to:
